# 1. Log in as Service Provider

## Creation of a user account profile

Each user has her/his own profile in Sultan.

Service providers contact [gen-klr-sultansupport@arcelormittal.com](mailto:gen-klr-sultansupport@arcelormittal.com) providing following information:

- First + Family name +Email address

**Multiple people per transport company can have a user profile in Sultan!**

Once created in our system you will receive a mail from Oracle for activation of your account (to be done within a week as link expires for safety reasons)

From: Oracle <[csio-epsly@identity.oraclecloud.com](mailto:csio-epsly@identity.oraclecloud.com)>  
Sent: maandag 9 februari 2026 14:55  
To: EUR-APP; ScaleUp-Sultan-Helpdesk <[eur-app-scaleup-sultan.helpdesk@arcelormittal.com](mailto:eur-app-scaleup-sultan.helpdesk@arcelormittal.com)>  
Subject: Welcome to Sultan SULTAN - ArcelorMittal Europe, ...

**\*\*\*External email warning: This email originated outside the company. Please do not click links or open attachments unless you were expecting this communication.\*\*\***

**ArcelorMittal**

Hello

Your access to Sultan has been created. To get started, click on the [activate your account](#) button underneath to initialize your password.

**Activate Your Account**

**Details**

If the [activate your account](#) link doesn't work, please copy and paste the following URL into the address bar of your browser:

<https://identity.oraclecloud.com/identity/arcelormittal.com/4430/sls/1/initialize?>

# 1. Log in as Service Provider

## Creation of notification e-mails:

Service providers contact [gen-klr-sultansupport@arcelormittal.com](mailto:gen-klr-sultansupport@arcelormittal.com) providing following information:

- First + Family name + Email address
- 1 e-mail for transport spot requests
- 1 e-mail address for cost settlement

Please think about which e-mail you choose to receive spot bid requests, to receive the invoice proposals!

Under development: notifications to multiple people per transport company

**Link to Sultan** (not to be confused with account activation link)

Production: <https://otmgtm-arcelormittaleurope.otmgtm.eu-frankfurt-1.ocs.oraclecloud.com/>

## Password problems

In case service provider faces any access/password issues, contact: [gen-klr-sultansupport@arcelormittal.com](mailto:gen-klr-sultansupport@arcelormittal.com)

### 3. Carrier Workbench

1. ETA Request (under development)
  - Current: all shipments without ETA are displayed
  - Under development:
    - ETA on customer service request, to be filled in by transport company, mandatory
    - Once the ETA is provided, the shipment will disappear from the list
2. CMR Request (under development)
  - On customer service request
  - Once the CMR is provided, the shipment will disappear from the list
3. Unfinished shipments
  - All shipments that were accepted but not yet shipped
4. All shipments
  - All shipments (shipped/not shipped)

# 3.1. ETA Request

- Entering the ETA:
  - Select shipment
  - Click on mass update (several lines can be selected)
  - Enter the ETA
  - Click on OK

## 4. Spot Tendering

- When spot?
  - No contract
  - Contractors but no capacity so we go on market
- A request for price (spot tender) is sent through Sultan
- You will receive an e-mail notification (the e-mail address you gave for spot bids) with link to Sultan Spot Tendering
  - Under development: multiple e-mail addresses per transport company for spot requests
- At all times these spot tenders are also displayed in the Spot tendering module in Sultan
- Spot bids should be entered default within 1 working hour (unless requested otherwise by chartering team)
- Based on the received bids, on the deadline, shipment will be awarded to the best bidder and will be chartered accordingly.
- Carrier to which shipment is awarded will receive the shipment in his TMS with the agreed price
  - !!! This awarded shipment should still be confirmed (accepted) by the carrier

## 4. Spot Tendering

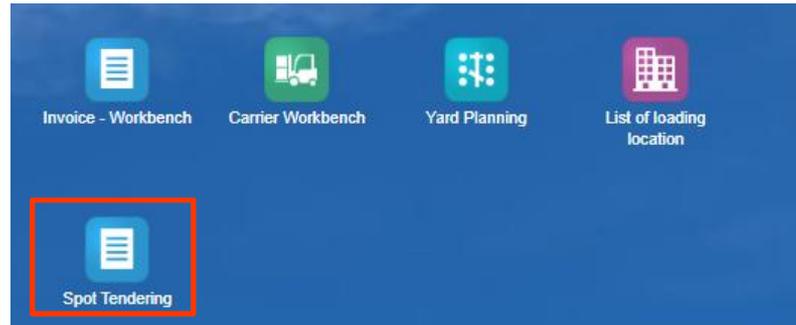

- How to reply on a spot bid?
  - Via the URL in the e-mail
  - Directly via 'Spot Tendering' in Sultan

**Instruction** You are invited to participate in the bidding on a Spot Bid Tender. Please submit your bid using the URL below or reply to the contact below if unable to access this URL. Your bid will be processed by the end of the Respond By time. Failure to submit a bid on time will result in this tender being cancelled.

## 5. Contract - Market share shipments

- Carriers have maximum 4 working hours to accept or refuse the offered shipments via Sultan.
- In case of no reaction within 4 working hours, the shipment will automatically be forwarded
  - to the next carrier(s) having market share (> 0%) for another 4 working hours ...
  - to the 0% MS carrier (based on price ranking)
    - » T1 MS => T2 MS => T3 0% => T4 0%
    - » Chartering team has possibility to start 2nd round of next 4 suppliers T5 0% => T6 0% => T7 0% => T8 0% (not often applied) or to launch spot request
- In order to save time (for AM and for the carrier performing the shipment), please respond asap!
- Working hours in our system 8-12h and 13-17h

Thank you

ArcelorMittal
